

# GUIDE-ME

from Series 3 to the new Series 4

## new Series 4

# steeltech range 4

INNOVATION	BENEFIT
Larger wash tanks	Less dirt in the tank, heavy duty
Controls positioned above the hood	Better visibility, added product value
New hood lifting guides	Smoother movement, less effort
Increased useful hood/door opening	Greater versatility in use
Drain with triple filter	Better washing results
Drain pump accessible from inside the tank	Simplified maintenance
Mec4 electromechanical user interface with PoInt function and new white-character LED display	Easier to use, more readable, more complete
New programs	More effective, more hygienic
Wash arms with inspectable wash channels	Easier cleaning
High-quality racks with capacity for 18 plates	Higher productivity

#### Accessory legend

**D:** Detergent dispenser; **R:** Round rack included; **M:** Single-phase
